

Dear Parents,

We are honored that you have expressed an interest in our school and for entrusting your child(ren)'s academic future into our care. We are thankful to God for allowing us this opportunity and do not take it lightly. It is our heart's desire to provide your child(ren) with a strong academic curriculum and, at the same time, encourage and develop their spiritual walk with the Lord.

Attached are several forms that will need to be completed and turned in by May 13, 2024, along with your registration fee of \$225 per student. The registration fee must accompany these forms in order to temporarily hold a space for your child(ren) during the registration process. We accept cash or check for the registration fee(s). If paying by check, please **make checks payable to Church on the Rock**. If paying by cash, please submit the cash in a sealed envelope marked with FCA Registration Fee(s), your child(ren)'s name and the amount enclosed. We also included a checklist as a reference for the documents needed.

Please provide your documents and registration fee(s) in a sealed envelope to Christina Guzman, during school hours, by May 13, 2024. After we review your application, we will be in contact to setup an interview with you and the FCA staff in early to mid-April. Also, all students that are accepted will take an achievement test on Saturday, May 25, 2024.

If you have any questions, please do not hesitate to contact me at the church office at 512-864-7713.

Again, we thank you for your trust and confidence in us to provide your child(ren) with a Christ-centered education. We look forward to partnering with you in this journey.

Sincerely,

A handwritten signature in blue ink that reads 'Christina Guzman'.

Philosophy Statement

The philosophy of Faith Christian Academy of Georgetown, Texas is based on a God-centered view that all truth is God's truth, and that the Bible is the inspired and the only infallible, authoritative Word of God that contains this truth. God created all things and sustains all things. Therefore, the universe and humanity are dynamically related to God and have the purpose of glorifying Him. Because humans are sinners by nature and choice, they cannot glorify or know God. A person can do this only by choosing God's free gift of salvation through His Son, thereby committing his or her life to the Lordship of Jesus Christ.

Our aim socially is to provide a Christian perspective on life and the world from which will come a balanced personality and a proper understanding and acceptance of one's role in life and home, at work, at play, and at worship – all grounded in the Christian concept of love.

Our responsibility for the student encompasses the spiritual, intellectual, physical, social, and emotional areas. These are inseparable, and through them all runs the thread of the spiritual. Therefore, it must be our aim to shun the tendency to teach the Bible compartmentally or on the intellectual level alone – the spiritual thread must be woven throughout the total curriculum.

This philosophy dictates that we cooperate closely with parents in every phase of the student's development, always offering assistance in understanding the purposes of the Christian school.
